HAIR RESTORATIVE.

It has Worked Miracles!

THAT ALL THE BALD AND GRAY can be restored perfectly to original growth and color so far as their locks are concerned does not admit of doubt besides, it will cure every possible disease of the scalp whether developed as dandruff, itching, or in the shape of cutaneous eruptions—even scald head—and in no possible case will it fail of curing as if by magic nervous or periodical Head ache, and if used twice a week by the young regularly it will preserve the color and keep the hair from falling to any imaginable age Read and judge

MILLFORD Worcester Co Mass Nov 1855

PROF O J WOOD—Dear Sir —I take pleasure in bearing voluntary testimony to the magic effects of your wonderful Hair Restorative As far back as 1836 my hair commenced falling off, until the top of my scalp became bald and smooth as glass, and it has continued to fall for a great many years notwithstanding I have used many celebrated preparations for restoration Seeing your advertisement I was induced to give your article a trial, and to my utter astonishment, found after a few applications, that my hair became firmly set and assumed a glossy and beautiful appearance and by the time I had used a quart bottle my bald head was covered over with a young and vigorous growth of hair which is now from one to two inches and a half in length and growing fast

Yours truly
HENRY GOODRICH

CHARLESTON Mass. Aug 9 1855

GENTS —Nothing but a deep and sympathy that I feel to communicate to others that are afflicted as I have been would induce me to give this public acknowledgment of the benefit I have received from Prof Wood's Hair Restorative When I first commenced using it my hair was quite gray and in spots entirely bald I have now used the Restorative about five months and my hair is entirely changed to its original color brown and the new hair is over three inches in length on the spots where it was bald I have also been much gratified at the healthy moisture and vigor of the hair which before was dry and it has ceased to come out as formerly

Respectfully yours &c
MRS R A STODDARD

From Mrs Ingalls a well known nurse in Boston

BOSTON Oct 19 1855

GENTS —At your request and being so highly pleased with the effects of the Restorative I am free to state that my hair had become quite thin and entirely white I have for the last five years been in the habit of using dye but hearing of the extraordinary effects of this article I was induced to try it My hair has been restored to its original thickness, and also to its former color which is light brown Yours respectfully

MRS INGALLS

The following is from the Pastor of the Orthodox Church Brookfield —

BROOKFIELD Mass Jan 12 1853

PROF WOOD—Dear Sir—Having made trial of your Hair Restorative it gives me pleasure to say that its effects have been excellent in removing inflammation dandruff and a constant tendency to itching with which I have been troubled from my childhood and has also restored the hair which was becoming gray to its original color I have used no other article with anything like the same pleasure and profit

Yours truly
J K. BRAGG

(From the Jersey City Telegraph)

WHAT IS IT FOR—THIS WOOD'S HAIR RESTORATIVE?—Is a question asked daily by hundreds We answer without hesitation or fear of contradiction that it is the only article known which will do all it promises for the human hair *It will renew its growth—it will stop its falling—it will restore its natural color* It is not a hair dye but a speedy and efficacious Restorative

AFTER an extensive practice of upwards of twenty years continues to secure Patents in the United States also in Great Britain France and other foreign countries Caveats Specifications, Assignments and all Papers or Drawings for Patents executed on liberal terms and with despatch Researches made into American or Foreign works to determine the validity or utility of Patents or Inventions and legal or other advice rendered in all matters touching the same Copies of the claims of any Patent furnished by remitting One Dollar Assignments recorded at Washington

This Agency is not only the largest in New England but through it inventors have advantages for securing patents or ascertaining the patentability of inventions, unsurpassed by if not immeasurably superior to any which can be offered them elsewhere. The testimonials below given prove that none is MORE SUCCESSFUL AT THE PATENT OFFICE than the subscriber and as SUCCESS IS THE BEST PROOF OF ADVANTAGES AND ABILITY he would add that he has abundant reason to believe and can prove that at no other office of the kind are the charges for professional services so moderate.—The immense practice of the subscriber during twenty years past, has enabled him to accumulate a vast collection of specifications and official decisions relative to patents These besides his extensive library of legal and mechanical works and full accounts of patents granted in the United States and Europe render him able beyond question, to offer superior facilities for obtaining patents

All necessity of a journey to Washington to procure a Patent and the usual great delay there are here saved inventors

Testimonials

During the time I occupied the office of Commissioner of Patents R H EDDY Esq of Boston did business at the Patent Office as Solicitor for procuring Patents—There were few if any persons acting in that capacity who had so much business before the Patent Office and there were none who conducted it with more skill fidelity and success I regard Mr Eddy as one of the best informed and most skilful Patent Solicitors in the United States and have no hesitation in assuring inventors that they cannot employ a person more competent and trustworthy and more capable of putting their applications in a form to secure for them an early and favorable consideration at the Patent Office

EDMUND BURKE,
Late Commissioner of Patents

[From the present Commissioner]

August 1 1855.—During the time I have held the office of Commissioner of Patents R H Eddy Esq of Boston has been extensively engaged in the transaction of business with the Office as a Solicitor He is thoroughly acquainted with the law and the rules of practice of the office I regard him as one of the most capable and successful practitioners with whom I have had official intercourse

THE great popularity which **Moffatt's Life Pills** and **Phoenix Bitters** have attained in consequence of the extraordinary cures effected by their use renders it unnecessary for the proprietor to enter into a particular analysis of their medicinal virtues or properties Having been more than twenty years before the public and having the united testimony of more than *Three Millions* of persons who have been restored to the enjoyment of perfect health by them it is believed that their reputation as the best vegetable medicine now before the public admits of no dispute In almost every city and village in the United States there are many who are ready to testify to their efficacy in removing disease and giving to the whole system renewed vigor and health

In cases of *Scrofula Ulcers Scurvy or Eruptions* of the Skin the operation of the *Life Medicines* is truly astonishing often removing in a few days every vestige of these loathsome diseases by their purifying effects upon the blood *Fever and Ague Dyspepsia Dropsy Piles* and in short most all diseases soon yield to their curative properties No family should be without them as by their timely use much suffering and expense may be saved

Many of the Buchanan men consider it an unjust and absurd act for Republicans to call their party the pro slavery party —denying that they are in favor of slavery or that they would knowingly do anything for its extension Perhaps not But let us see if the action of the party has been such as that the application of the term is just And we will go back only three years to the presidential election

The great battle of the day between freedom and slavery has been fought, in Kansas and is still raging there It was once free soil It is now opposed to slavery It has been so opposed by a decided majority of the settlers in a territorial administration and by the direct votes of a majority of the representatives of the people in Congress all of them By his action the so called democracy was clearly a pro slavery party

Again There was a pretence of popular sovereignty in the Kansas Nebraska bill It was said to us of the North that the Territorial legislature of Kansas would have full and free power to settle their own institutions —and that as a great majority of the settlers would be from the North and from Europe Kansas must of course be hired as a free Territory and could never become a slave State How and what were the facts Armed ruffians crossed the border and by the teeth for the open avowed and notorious purpose of controlling the elections for both branches of the Territorial Legislature for the express and declared object of forcing slavery to be the institution of the Territory which they themselves could not or would not establish by the votes of freemen Force and violence returned a majority of pro slavery members to the Legislature and of this Legislature the Governor approved and the courts of Washington Territory have sustained the validity of the acts of this body which not only establish slavery but make it a felony for any one to utter a word against it

Then there was a pretence of popular sovereignty in the Lecompton constitution which was to submit the question of slavery to the people But this was a mockery and a delusion The election was to be held under the auspices of the bogus Legislature and the only question was whether the people would vote for a slave State with slavery or for a slave State without slavery The Free State men refused to vote at an election held under such auspices and the result was that a majority of the votes polled were for slavery

Once more The Republican Legislature of Kansas provided to pass laws capable of being set aside upon the fiat of a single man to whom both branches of the Legislature should not object or would not give sanction in any manner the validity or authority of the Legislature to which it was subject That Legislature was therefore declared illegal because it was made subject to the veto of the Governor and could not become a law if he refused to sign it unless it was passed by a majority sufficient to override the veto Under the Lecompton constitution the Governor was to be appointed by the President and could veto the acts of the Legislature and then the Legislature could not override the veto by any majority whatever

And now see the consequences The bogus Legislature has taxed itself as the despotic ruling power of the Territory It has passed such laws as it pleased to fasten slavery upon the Territory It has passed laws regulating elections so as to add a perpetuating provision to the constitution which no free State men cannot and will not vote for It has now order a census of voters to be taken by known officers and munions which are to limit all persons returned under the census as voters for delegates to a Constitutional Convention —*and none others* It has passed a law for a Constitutional Convention to be thus chosen —which law *does not provide that the Constitution is to be framed by that Convention but is submitted to the people for accepting*, but it provides all the Constitution of the State without such submission By the last despatches we see that resolutions have been reported to the Convention of Free State men at Lecompton declaring that they cannot participate in the election called by the pro slavery bogus Legislature without compromising their rights as American citizens. But the election will nevertheless be held—and as Mr Buchanan has recognized the legality of the Ruffian Legislature it follows that he will also recognize the validity of the election held by its orders. And the slavery constitution framed for the new State by the Convention thus chosen will also be recognized by Mr Buchanan and the democratic party, as legally adopted for the State of Kansas, when of right the whole proceedings should be declared null and void.

Thus the so-called democratic party will be ultimately responsible for the imposition of an illegal slavery protecting Constitution upon Kansas

Thus the party is a pro slavery party because it has sustained and does sustain pro slavery action at the most vital point now threatened by the oligarchy

If the democratic party would clear itself of the charge of pro-slaveryism, let it ACT FOR FREEDOM instead of for slavery If it does not do this, let honest democrats abandon it We now point all such to Mr Buchanan s reported acceptance of the resignation of Gov *Geary* instead of urging his return to Kansas and sustaining him against the Ruffian Legislature Let them ponder Mr Buchanan s actions Let them watch the results.

Professor Secchi, director of the astronomical observatory at Rome, has succeeded, after a long series of observations made by means of the fine telescope at his command, in producing a remarkable drawing of the lunar mountain Copernicus The drawing is on a scale of ten geographical miles to an inch and all the objects are laid down by triangulation It is said to be by far the most perfect representation of any portion of the moon s surface that has ever been executed, and is of much scientific value

FORTUNATE ESCAPE A juror, who was recently engaged in the trial of a capital case at Brooklyn, N Y says while the trial was progressing he was asked by some person in female apparel while riding home in the evening for the privilege of a ride The juror suspecting all was not right dropped his whip after the person had thrown a muff into the wagon, and requested the stranger to pick it up While reaching for it, the juror drove off at a rapid rate leaving the stranger on the road On examining the muff he found in it a brace of handsomely mounted pistols

The York and Cumberland railroad difficulties are about to be adjusted John M Wood has transferred to the trustees over $800 000 of stock and $46 000 of bonds Charles Q Clapp has handed in bonds to a large amount and the old securities have been so largely surrendered for new bonds that it is expected the a large majority will come into their arrangement

ONLY ONE BOTTLE

—OF—

DR SANFORD'S

INVIGORATOR OR LIVER REMEDY!

IS REQUIRED TO CURE ANY ONE TROUBLED with Liver Complaints, unless the most desperate of cases when the second bottle will, with scarce a single failure restore the patient to health and vigor We wish to call the attention of all to these facts that the Invigorator is compounded by a physician who has used it in his practice for the past 20 years with a success almost incredible, and that it is entirely vegetable, being composed wholly of gums

Some idea of the strength of these gums may be formed when it is known one bottle of the Invigorator contains as much strength as one hundred doses of calomel, without any of its deleterious effects

One bottle is the surest thing known to carry away the bad effects of mineral poison of any kind

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring will prevent nightmare

One dose taken at night loosens the bowels gently and cures costiveness

One dose taken after each meal will cure dyspepsia

One dose of two teaspoonful will always relieve sick headache

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure

Only one dose immediately relieves cholic

One dose often repeated is a sure cure for cholera morbus and a preventive of cholera

One dose taken often will prevent the recurrence of bilious attacks while it relieves all painful feelings.

One or two doses taken occasionally is one of the best remedies for a cold ever known

Thousands of Cases of inflammation & weakness of the lungs have been cured by the Invigorator

One dose taken a short time before eating gives vigor to the appetite and makes food digest well

One dose, often repeated cures chronic diarrhea in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms while for worms in children, there is no surer safer and speedier remedy in the world, as it never fails

There is no exaggeration in these statements They are plain and sober facts that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor

We wish all who are sick and debilitated to try this remedy and test it thoroughly and any who are not benefitted by its use we should like to hear from them as we have yet to hear from the first person who has used a bottle of Invigorator with receiving benefit. Its ... there are such ... ing medicinal virtues in it, that all no matter how long they have been affected if their complaint arises from a deranged liver, will be benefitted, if not entirely cured

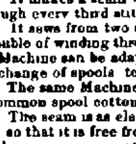
GROVER & BAKER'S

New Family Sewing Machines! PRICE $75.00.



Reasons

Why Grover & Baker's SEWING MACHINE —IS— Universally preferred for Family Sewing

1st It is more simple and easily kept in order than any other Machine

2d It makes a seam which will not rip or ravel though every third stitch is cut

3d It sews from two ordinary spools, and thus all trouble of winding thread is avoided, while the same Machine can be adapted at pleasure, by a mere change of spools to all varieties of work

4th The same Machine runs silk, linen thread, and common spool cotton, with equal facility

5th The seam is as elastic as the most elastic fabric so that it is free from all liability to break in washing, ironing, or otherwise

6th The stitch made by this Machine is more beautiful than any other made either by hand or machine

We have been appointed agents for the above Machines, and have them for exhibition and sale at our store, where the public are invited to examine them FENNO & HALE

O. W. STONE'S
LIQUID ATHARTI
—AND—

FAMILY PHYSIC,

The most important discovery ever made in Medical Science, being a compound of Barks and Roots, which forms the most powerful, safe, and agreeable physic ever offered to the public.

THE necessity of such a medicine has long been felt both by the heads of families and physicians. Its advantages over cathartics given in the form of Pills or Powders must be obvious to every intelligent person. It operates more immediately and effectually upon the system, and at the same time is infinitely less difficult to administer, being quite agreeable to the taste. It not only produces all the effects where physic is required, but completely removes habitual Costiveness, leaving the bowels perfectly free. It expels all humors from the blood, is a certain cure for the Piles, Regulates the action of the Liver, frees the stomach from Bile, invigorates the whole Nervous System, and removes the cause of all local pains, such as *Rheumatism, Neuralgia, Tic Doloureux, Gout, Pain in the Head, Side, Stomach, &c.*

It may also be relied upon in all diseases of the Bowels—DYSENTERY, DIARRHEA, AND CHOLERA MORBUS, yield at once to its magical influence. Again we repeat, TRY IT!—it needs no other recommendation. No family will be without it after they have properly tested its merits. Reader, if you have tried other remedies, without success despair not—relief is now at hand. Are you suffering from Scrofula, six bottles of my Liquid Cathartic will cure you. Would you be relieved from habitual Costiveness, three bottles will effect all that you desire. If you are afflicted with Rheumatic, Neuralgic, or other local pains, two bottles will free you from them.—All humors will be eradicated from the blood by the use of from one to six bottles. In short, if you require a physic for any purpose, this is the most reliable, safe, and agreeable to the taste that has ever been placed within the reach of the public.

PRICE $1,00.

LINCOLN'S WATER PROOF BLACKING,

AND LEATHER PRESERVATIVE.

Keep your Feet dry and you will seldom need a Physician.

IS it not a truth that when the feet are often wet, it is one of the greatest causes of colds and consumption? It is a truth that when leather is often wet and dried, it soon becomes hard, stiff, and cracks, but when it is water-proof this is remedied. By the application of this preservative, it remains soft, and entirely impervious to water.

After being engaged for 25 years in the manufacture of Leather in all its branches, and being often troubled with wet feet myself, I was led to experimenting on different compositions, and found it easy to make it water-proof, but at the same time extremely injurious to the leather. At last by a chemical process, I discovered a preparation which perfectly harmonizes with the astringent properties with which leather is tanned. It will not only make leather water-proof, but it likewise softens the leather, and it will

Positively wear twice as long.

I have now used it for three years, and a large part of that time have worked in a wet Tannery, with my boots constantly in water, and have not had my feet wet during that time. I can therefore in all confidence, recommend it to the public as the best article in the market.

Singer's Sewing Machines.

THESE celebrated machines are in practical and profitable use in all parts of the civilized world. In all the various trades, and in sewing every sort of fabric, either of cloth or leather they have been fully tried and approved. Sewing machines of other manufacturers often fail to work, but SINGER'S MACHINES ALWAYS OPERATE PERFECTLY, being strong, durable, and complete in contrivance and workmanship. A perfect Sewing Machine kept employed affords a clear profit of $1000 a year; but an imperfect one is a cause of constant vexation and loss. The entire *reliability* of our machines is one great reason for their unparalleled popularity.

MACHINES FOR FAMILY SEWING, of a frail and delicate construction, are recommended by other manufacturers. Such machines are made to catch the eye, not to perform substantial work. The truth is, family sewing machines ought to be stronger than any other, because they go into less skillful hands than when sold to manufacturers, and are used for a greater variety of work. The machines which have proved best for all other purposes must be best for family use, and they are Singer's. The speed of our machines has lately been doubled. No other can compare with them in quantity of work,

☞New machines, of the latest improved style will be exchanged on liberal terms for old sewing machines, of our own make, or for operative machines of other manufacturers. Local agents wanted to sell our machines ☞

N. B.—All persons desiring full information about sewing machines, can obtain it by applying for a copy of "I. M. Singer & Co's Gazette," a paper devoted entirely to the subject. It will be sent gratis. I. M. SINGER & CO.

Thrice-Weekly Kennebec Journal for 1857.

DURING the approaching session of the Legislature the undersigned will continue the publication of the *Thrice-weekly Journal*, being the XIIIth Volume of the same.

As is well known, the chief purpose of this paper is to afford the public of Maine a faithful account of the deliberations and actions of its Legislature. With the reports of the Legislative doings, we intend also to publish the proceedings of Congress, as they are given in the best reports from Washington.

As the renewal of all the Bank Charters in the State will come before the Legislature this Winter, the debates and proceedings will be of peculiar interest to all who are interested in Bank property.

The numerous lines of railroad which now traverse the State in all directions, will enable a very large proportion of our subscribers to receive their papers a few hours after their publication. This fact renders a subscription to the Thrice-Weekly more desirable and satisfactory than in former years.

The Thrice-Weekly Journal will be published on *Monday, Wednesday* and *Friday* mornings.—The price will be

Single Copy—One Dollar for the Session,

As usual, payable in advance. Any person forwarding us $8 shall be entitled to the ninth copy for his trouble. To any one who will send us $16 we will send two copies extra for his trouble.—Whoever shall send us $24 shall be entitled to three copies extra, and in like ratio for a larger amount.

☞It is desirable that the names of subscribers accompanied with the money, may be forwarded at or before the commencement of the session.—*Money remitted by mail at our risk.*

AYER'S Cathartic Pills

(SUGAR COATED,)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

DR J C AYER Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C. 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.
JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects, and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

NEW AND IMPORTANT DISCOVERY IN THE SCIENCE OF MEDICINE.

TRIESEMAR.—None are genuine unless the engravings of the Seals of the Patent Office of England, the Seals of the Ecole de Pharmacie de Paris, and the Imperial College of Vienna, are fixed upon each wrapper, and around each case.

Sold by Dr. H. A. BARROW—Member of the Imperial College of Vienna, and Royal College of Surgeons, London, who may be personally consulted at his residence, No. 157 Prince Street, (few blocks West of Broadway) New York, from 11 o'clock in the morning till 2, and from 4 o'clock till 8 in the evening, (Sundays excepted.)

TRIESEMAR No, 1—Is the remedy of general and local debility, loss of virile power, premature decay, and all the distressing consequences arising from early abuse, &c.; all physical impediments vanish like magic before its influence, thus rendering its use invaluable to those entering the marriage state.

TRIESEMAR No. 2—Entirely eradicates all traces of those disorders which copavia and cubebs have so long been thought an antidote for to the ruin of the health of a vast portion of the population.

TRIESEMAR No 3—Is the great European remedy for that class of disorders which, unfortunately, the English physician treats with mercury to the inevitable destruction of the patient's constitution, and which all the Sarsaparilla in the world cannot remove.

TRIESEMAR Nos. 1, 2 and 3—are prepared in the form of a lozenge, devoid of taste or smell, and can be carried in the waistcoat pocket. *Sold in tin cases and divided in separate doses, as administered* by Valpeau, Lalleman, Roux, Ricord, &c. &c. Price $3 each, or four cases in one for $9, which saves $3; and in 27 cases, whereby there is a saving of $9.

Special arrangements have been made with the various Expresses, the nine-dollar cases of the Triesemar, and the larger sizes, will be forwarded by Dr Barrow, carriage paid, immediately on receiving a remittance, to any part of the world, securely packed, and addressed according to the instructions of the writer, thus securing to the public genuine European preparations, and effectually protecting them from spurious and pernicious imitations. The three dollar cases sent as usual, but not free of carriage.

ANTAGONISTIC

To Prejudice and Empiricism!

OLD DR. CULVERWELL'S

Member of the Royal College of Surgeons (1827,) Licentiate of the Hall (1824,) and 28 years Medical Referee, &c.)

Radical Regenerator,

FOR SEMINAL WEAKNESS,

In all its forms, as Nocturnal and Diurnal Emissions, Nervous Irritability, Premature Decay, Loss of Virility, Impotency, and all diseases arising from early indiscretion.

This excellent Remedy, discovered by the world renowned DR CULVERWELL, in London, the most successful practitioner in his line for the last 30 years, is now for the first time offered to the afflicted in the fullest confidence of its extraordinary virtues. Its salutary effect is almost instantly felt, and it will doubtless at once supersede all other means resorted to, medical, surgical or otherwise, to arrest and to cure this awful disease. A single trial will convince the most sceptical, that a safe and perfect cure may now be had at the expense of a few dollars which up to this date could not be procured for all the gold of the world. The heavy expenses incurred in bringing this article before the public could not be risked, were its superiority over every means hitherto employed for the same purpose not a sure guarantee that its employment by *one* person would, through recommendation, result in an eventual sale to many.

DR. CULVERWELL'S admirable and entirely novel plan of treating these diseases, is, in the interest of humanity, recommended to physicians throughout the land, to whom every facility will be afforded for testing its wonderful efficacy in their private practice.

Full and plain directions for all the different varieties of the complaint accompany Dr Culverwell's REGENERATOR-REMEDY, so as to enable every one to treat himself or herself successfully. Price $2, on the receipt of which it will be forwarded *by mail*, free of postage, to any part of the country. Address, Messrs. BRIDGMAN & CO., Druggists and Apothecaries, 158 Grand-St., New York, Sole Agents for the United States and Canada. Nov. 19 d&w1y.

THE GREATEST MEDICAL DISCOVERY

Of the Age.

Dr. KENNEDY, of Roxbury, has discovered in one of our *common pasture weeds*, a remedy that cures

EVERY KIND OF HUMOR;

From the worst Scrofula down to a common Pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the worst cases of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst cases of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another, after a trial it always speaks for itself. There are two things about this herb that appear to me surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in Diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you can get, and enough of it.

DIRECTIONS FOR USE—Adults one tablespoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

The Principal Office for the State of Maine and the British Provinces, is at the Drug and Medicine Establishment of H. H. HAY, 15 & 17, *Market Square, Portland, Maine*, to whom all orders should be addressed. Sold by respectable Druggists throughout the United States and British Provinces.

PRICE $1.00.
